NEW BERN HIGH SCHOOL MEDIA CENTER

DEDICATION

To a person who understands and can talk with others,

To a teacher whose talents and efforts have lead his students to worthy goals,

And to a coach who has, through his leadership abilities, lead his teams to records of which the school can be proud.

So, with great appreciation, we dedicate the 1972 BRUIN to . . .

Mr. James Wiley

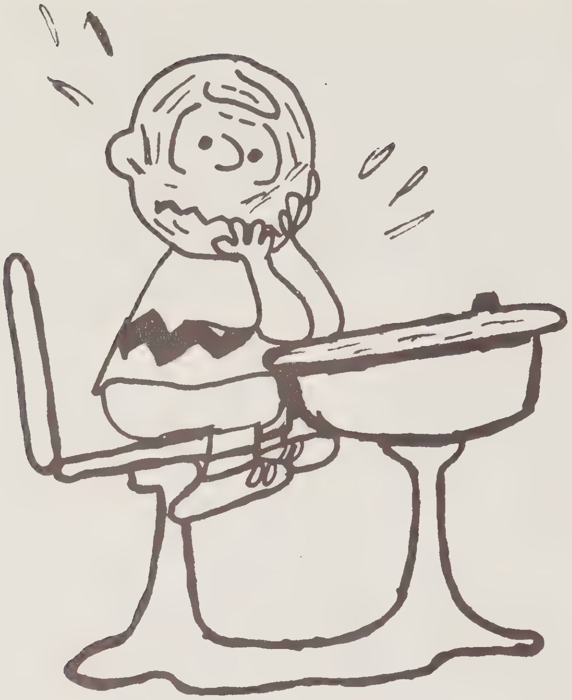
"It's nice sometimes
to open up the heart a little
And let some hurt come in.
It proves you're still alive"

Rod McKuen

Everything is symbolic outside
of the mind.



3 days for insubordination
HOW will I EVER tell
my mother !!

OK Boys LET'S WIN this one for the Bruin.

"Loving—
is the only sure road
out of darkness,
the only serum known
that cures self-centeredness
or puts it there."

"Actors in a cast of six we move on down the road. It couldn't be much farther, it's only three more inches—on the globe. Whistle stops and bunny hops from Pittsburg to L.A. Don't think the day will ever come when we go our separate ways. Friends of feeling, feeling together all that life has got for giving. Groping, seeking, feeling the pleasure and the pain that's part of living. Together with a common bond, enchanted by a magic wand, led by a crazy band baton, together—with a common bond."

—Ides of March

I'LL CATCH THE SUN

I'll catch the sun
and never give it back again.
I'll catch the sun
and keep it for my own.
And in a world where no one understands
I'll take my outstretched hand
and offer it to anyone
who comes along and tells me
he's in need of love.
In need of hope or maybe just a friend.
Perhaps in time I'll even share my sun
with that new ANYONE
to whom I gave my hand.

Over the years N.B.S.H.S. has been well represented by its athletic teams. They have generated much needed enthusiasm among the students and have provided many forms of stimulating and challenging competition. It is difficult to tell whether the students or the athletes get more out it. We say thanks to all have made N.B.S.H.S. athletics what it has been.

We the Sports Editors, helpers and other assorted and sundry peoples would like to thank ourselves.

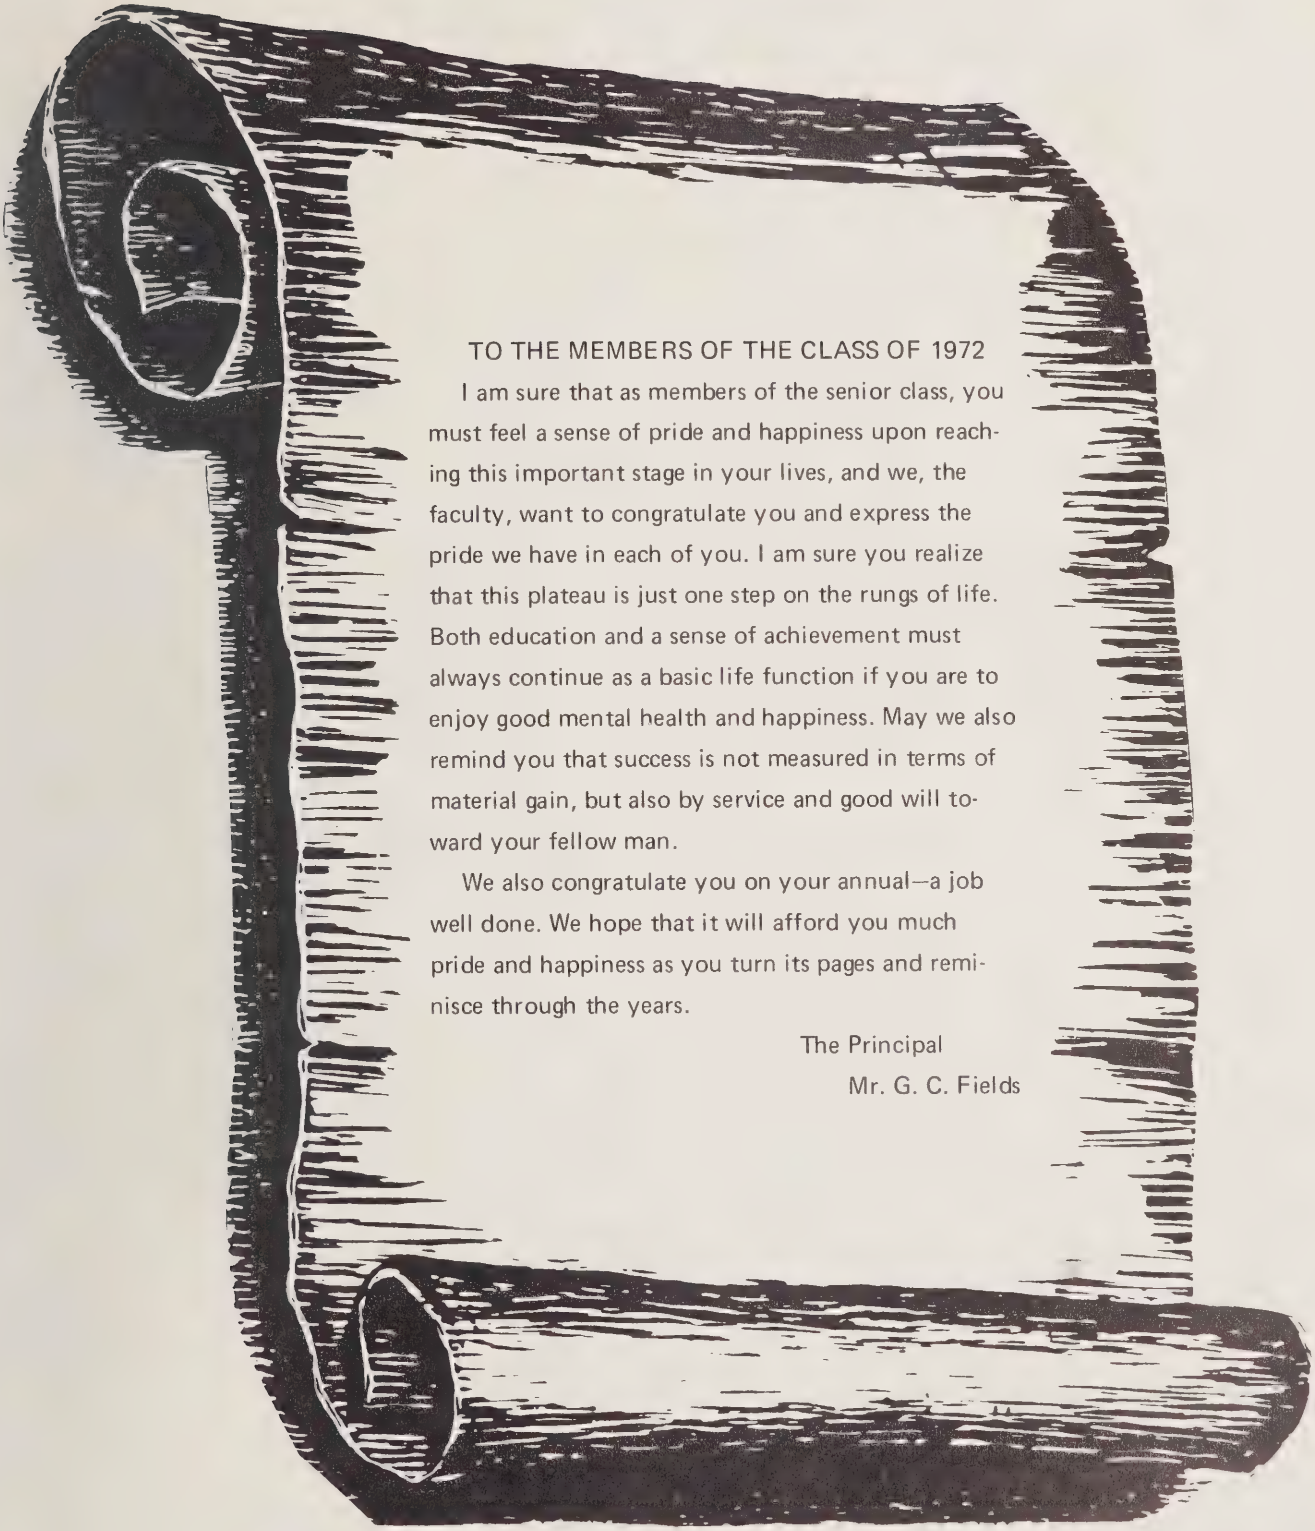
Hey Teach!

Dorothy H. Bryan

? FORGING PASSES GETS THREE DAYS ? ? ? ? ? ? ?



TO THE MEMBERS OF THE CLASS OF 1972

I am sure that as members of the senior class, you must feel a sense of pride and happiness upon reaching this important stage in your lives, and we, the faculty, want to congratulate you and express the pride we have in each of you. I am sure you realize that this plateau is just one step on the rungs of life. Both education and a sense of achievement must always continue as a basic life function if you are to enjoy good mental health and happiness. May we also remind you that success is not measured in terms of material gain, but also by service and good will toward your fellow man.

We also congratulate you on your annual—a job well done. We hope that it will afford you much pride and happiness as you turn its pages and reminisce through the years.

Mr. G. C. Fields
